## Highway site sought for Bay Post Office

By ELLIS CUEVAS

A new site for the Bay St. Louis Post Office is being sought by the United States Postal Service.

A US-90 area is under consideration and the site selected should measure some 370 feet by 585 feet, or approximately 216,450 square feet.

Bids are being sought until Nov. 4 in a designated area located within the western section of Bay St. Louis' city limits bounded on the north by Bay St. Louis city limits and Scianna Lane; on the south by a line 200 feet south of US-90; on the east by Drinkwater Road; and on the west by city limits, in specifications set by H.D. Sartain, USPS Facilities Contract specialist.

Tom Hill, Bay postmaster said, "A new post office has been needed for some time in Bay St. Louis. The Main Street building is completely out-grown; in addition we have a lack of parking area for customers." "A new downtown station will also be selected for lock box and financial transactions near the current facility, in order to serve the immediate area," Hill added.

Plans for the new facility call for an 18,000 square foot building which will contain six times more space than the current post office.

Hill continued, "The new plans call for approximately 40 customer parking spaces and 1,500 postal patron boxes."

"There are fewer than 500 postal patron boxes now and very limited

customer parking at the Main Street facility," Hill allowed.

The current facility has been occupied by the post office since 1935, moving from a building now occupied by Hancock Insurance Agency.

A post office has been located in Bay St. Louis since it was known as Shieldsborough in 1837.

The city's name was changed to Bay St. Louis in 1858 and the post office's in 1869.

The new facility will also have a much larger lobby and much need working area, Hill said.

"We are cramped for space, and unable to add other routes because we have no room. The new facility will allow us space to add other routes as the area grows," Hill stated.

A limited number of bid packages are available from Hill at the Bay St. Louis post office, or can be obtained by writing, Gregory C. Rigamer and Associates, Inc., Suite A, 3230 W. Esplanade Ave., Metairie, LA. 70002-9999.

The property offered must be properly zoned to permit use for a postal facility or capable of being rezoned for such use without delay of construction.

The owner shall be responsible for all action necessary to obtain zoning prior to purchase by USPS.

Offers should include a plot plan or survey showing the site location and dimensions, locations of any

buildings thereon, abutting streets and alleys, including widths and other pertinent information.

The United Postal Service will pay fair market value for the property, Hill said.

Bay St. Louis (Shieldsborough) has had 24 postmasters in its history. John B. Toulme served as the first postmaster from 1837-1846, with Nancy B. Arnold the first woman postmaster 1850-56.

#### SPOT BID SALE

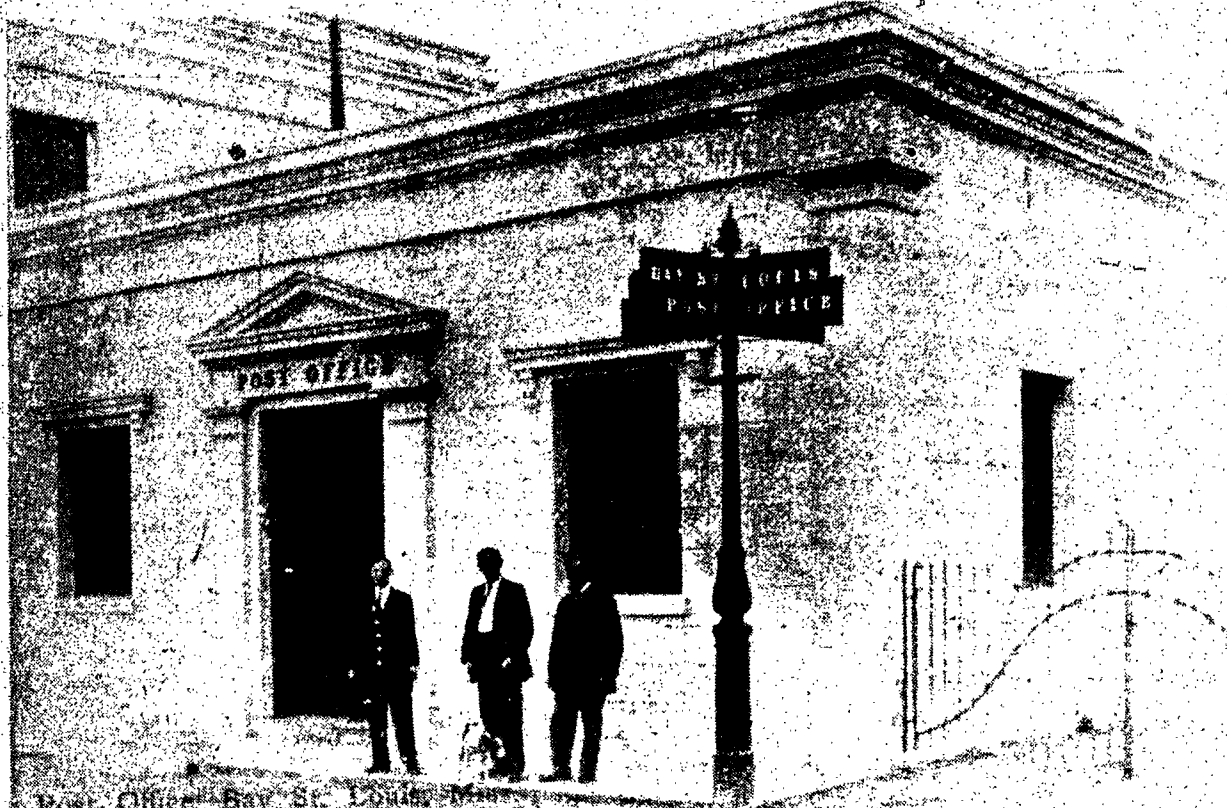

The Keesler Defense Reutilization Marketing Office will hold a Local Spot Bid Sale Thursday, 9 a.m. in Building 4422.

Inspection of property continues Monday until the sale begins. The office will be open from 8 a.m.-3 p.m. daily.

#### OFFICE MOVED

Hancock County residents may now purchase vehicle license plates in the new Courthouse Annex building, former location of McDonald Furniture Company, on the northeast corner of Main and Second streets.

Assessor/Tax Collector Edward Murtagh reports his entire operation is now moved to the annex building.

FORMER BAY POST OFFICE—The Bay St. Louis post office was located on Main Street in Bay St. Louis prior to moving to its present location which was constructed in 1935. The old location is now occupied by Hancock In-

urance Agency. Those in photo, from right, are the late Louis J. Norman, owner of a Ford dealership, and the late Richard Mendes who served as Bay postmaster from 1911 to 1915, and an unidentified resident.

## Declaratory judgement excludes two from justice court race

BY DENA BISNETTE

A declaratory judgement by Circuit Judge James Thomas excludes two candidates who qualified late for the Nov. 5 Justice Court Judge, East District election.

One of those candidates, Thomas P. Clarke, has questioned the reason the judgement was needed.

According to Hancock County Election Commissioner Charles Gottschalk, the commission requested the judgement after one of the eight candidates who had qualified questioned the 30-day deadline listed in an information letter distributed with qualifying petitions.

Gottschalk told the judge at a Friday morning hearing that the letters said candidates could qualify as late as 30 days before the election.

Legislation passed last May, however, requires that candidates qualify at least 60 days before a special election.

The old law said 10 days, but that law became outdated when the legislature decided that all special elections must be held in November.

The election commission referred to the general election law and used the 30-day deadline it specifies.

Gottschalk said the election commission, upon learning of the mistake in the letter, filed for the judgement to find out what procedure to follow in correcting or dealing with the error.

"We were satisfied with the judgement. We would have been satisfied whichever way it went because we just needed instructions," he commented.

Candidates who qualified before Sept. 6, the correct deadline according to the law, include James Davis Jr., Joseph M. Bermond, George Burleson, John C. Chevis Jr., James U. Garriga and Joseph Dobson.

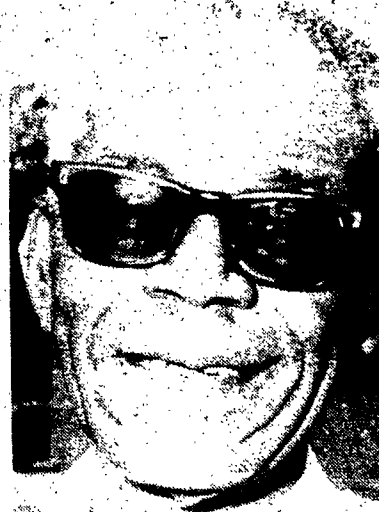

The other two, Buford Ladner and Clarke, qualified after that date and can not legally participate in the election, Thomas said.

Clarke said he feels the judgement was "just and correct" as a declaratory judgement.

However, he said he had expected the matter to be dealt with in a court of equity, which he feels would have allowed both to run.

Clarke said he is considering asking for further legal action on the matter.

"I don't want to believe what I'm thinking, but I'm the only black in this, and why would six whites qualify before Sept. 6. No where in that letter does it say they must file before Sept. 6, Clarke said.

Thomas P. Clarke

"I want to run because I feel blacks in Hancock County have no image, no one to look up to, and I'm only trying to provide that image for them," he added.

## Investigators delving into McNeal death

Authorities from Jackson County, St. Tammany Parish, La., and the Mississippi Highway Patrol are still investigating the shooting death of a former Bay St. Louis resident, with assistance from the Hancock County Sheriff's Department.

DARLENE COLLIER MCNEAL

The body of Darlene Collier McNeal, 23, was identified Thursday

through fingerprints by St. Tammany authorities, according to Hancock County Sheriff's Department investigator Delbert Seay.

The nude body was found Wednesday near a shell road off Interstate 10 about 1.5 miles from the Hancock County-St. Tammany Parish line.

Seay said that Hancock County was asked for assistance on the matter because St. Tammany authorities felt the woman might be from the Bay St. Louis area.

St. Tammany authorities reported that she had been dead about three days.

She had reportedly been shot in the head.

McNeal was last seen alive last Saturday by her husband. Her family filed a missing person report with the Hancock County Sheriff's Department on Tuesday.

She was the daughter of Mr. and Mrs. P.J. Collier of Bay St. Louis and was a 1980 graduate of Bay Senior High. She was the sister of T.J. Collier of Bay St. Louis.

## Adopt-A-Dog Month declared, shelter to be open full-time

By BRENDA HEATHCOCK

October has been declared Adopt-A-Dog Month by Waveland Mayor John Longo, Hancock County Superintendent Sam Perniciaro and Bay St. Louis Mayor Victor Frankiewicz.

Signing proclamations last week as a part of a national program sponsored by a dog food manufacturer and the American Humane Association, these area officials have pledged their support to help increase animal adoptions at Hancock County

Animal Shelter.

"There is a growing number of dogs in need of homes at the Hancock County Animal Shelter," said Cel Dumestre, chairman of the Hancock Animal Commission.

The American Humane Association estimates that 12 million puppies and dogs are left homeless every year and taken in by animal shelters, Dumestre said.

"We encourage prospective dog owners to consider adopting one of the many fine, healthy puppies and dogs available at a reasonable

adoption fee from our non-profit shelter," he added.

Dumestre reported that due to additional financial aid from the governments of Hancock County, Bay St. Louis and Waveland a full-time employee will now be on duty at the Hancock Animal Shelter.

The shelter on Gulfside Drive in Waveland will be open Tuesday through Saturday from 10 a.m. to 1 p.m. and from 2 p.m. to 5 p.m.

For more information call 467-0230.

ADOPT-DOG-MONTH—Waveland Mayor John Longo, left, Hancock County Superintendent Sam Perniciaro, center, and Bay St. Louis Mayor Victor Frankiewicz have proclaimed October as Adopt-A-Dog Month in cooperation with a national program to help place

numerous animals that are expected to be brought to Hancock County Animal Shelter and other shelters around the country this month. (Staff photo by Brenda Heathcock)

## Coast disaster centers to close this week

The last two Federal Emergency Management Agency Disaster Application Centers on the Mississippi Gulf Coast will close this week, said Paul Hall, federal coordinating officer for the Hurricane Elena recovery effort.

"We will close the center, operating at Westside Community Center in Gulfport on Tuesday, and the center operating at the Jefferson Street Building in Pascagoula will close Thursday," Hall said.

Despite the center closings, Hall said that residents of the Gulf Coast can still apply for assistance until Nov. 4.

"Most assistance programs can be applied for during a 60-day period from the date of the Presidential disaster declaration," Hall said.

"The federal and state agencies will remain on the scene to work with late applicants." Hall suggested that those who still have not been to a center call the Disaster Information Hotline for referral on where to go after the centers close.

The Hotline—1-800-423-7596—is toll free and operates from 8 a.m. to 6 p.m., Monday through Saturday. FEMA opened four Disaster Application Centers in Harrison and Jackson counties on Sept. 9.

Two more centers, one each in Hancock and Pearl River counties, were opened on Sept. 14.

As of Oct. 2, more than 11,500 people had visited the Disaster Application Centers to inquire about assistance programs. Their applications are now in process.

**GIVE YOUR BODY A CAR'S CHANCE**

Because the body is such a wonderful self-sustaining machine which heals its own wounds, we are prone to let it run along as best it can until something drastic goes wrong. Car accidents occur every day. There are turn-overs and collisions. The car is taken to have the frame straightened, the dents removed and everything lined up again. But the occupant, unless he has broken bones, merely puts over his bumps and dents and lets his frame go regardless of how badly it may have been twisted out of shape. The body reacts just like any piece of machinery when left in this state. Wear on certain parts is greater and the life of your machine is shortened. The doctor of Chiropractic is your body mechanic, a spine specialist, a bio-engineer. See him for advice as to how to take the best care of your machine (body) and go to him when your body frame (spine) needs attention.

## Wastewater district awaiting approval of Segment II funds

**BY DENA BISNETTE**  
The Waveland Regional Wastewater Management District expects to receive final approval within two weeks for federal funding for Segment II of its proposed linkage of the Bay St. Louis and Waveland sewerage systems.

The U.S. Environmental Protection Agency has allocated about \$767,000 for Segment II, which includes expansion of the office and workshop building at the Waveland wastewater treatment plant.

Segment II also includes the construction of a pipeline from the Bay St. Louis sewage lagoon, which is being improved in Segment I of the project, to the end of Gulfside Drive in Waveland, where the treatment plant is located, District Administrator Ethel Schott said.

At Wednesday night's meeting of the district board, Chairman John Longo Jr. was authorized to sign acceptance forms accompanying grant approval.

Schott said further funding for Segment II is expected to include a state-funded loan of \$127,845 and \$127,845 in matching money from local funds.

She added that construction on Segment I is proceeding. That includes the construction of a pump-room and office building, installation of additional pumps and construction of additional circulation lines around the outside of the lagoon.

Schott said the contractor is ex-

pected to finish pouring concrete for the building this week.

## NSTL to host conference

The National Space Technology Laboratories in Hancock County will host a NASA-wide Teacher Resource Center Coordinators Conference Oct. 8 and 9.

Participants will represent NASA Headquarters, NSTL and eight other NASA centers.

Curtis Graves, director of NASA Educational Affairs, will address the coordinators. The conference agenda also includes several planning sessions and briefings on lunar sample displays and the latest computer systems to aid in providing resources to teachers.

A tour of NSTL's Visitors Center, Space Shuttle Complex and Earth Resources Laboratory is planned.

The establishment of Teacher Resources Centers at all NASA centers is a major initiative of Operation Liftoff, a space agency educational program announced last year by President Reagan.

The program is designed to encourage pupils in the nation's 75,000 elementary schools to take greater interest in mathematics and science.

The Teacher Resource Centers of NSTL will provide materials for use in their classrooms at no cost.

# National Employ The Handicapped Week proclaimed

October 6-12 has been proclaimed "National Employ the Handicapped" week.

The Coast offices of the Mississippi State Employment Service join President Reagan and Governor Allain in the observance of this special week by renewing their pledge to make year-round efforts to increase employment opportunities for handicapped citizens.

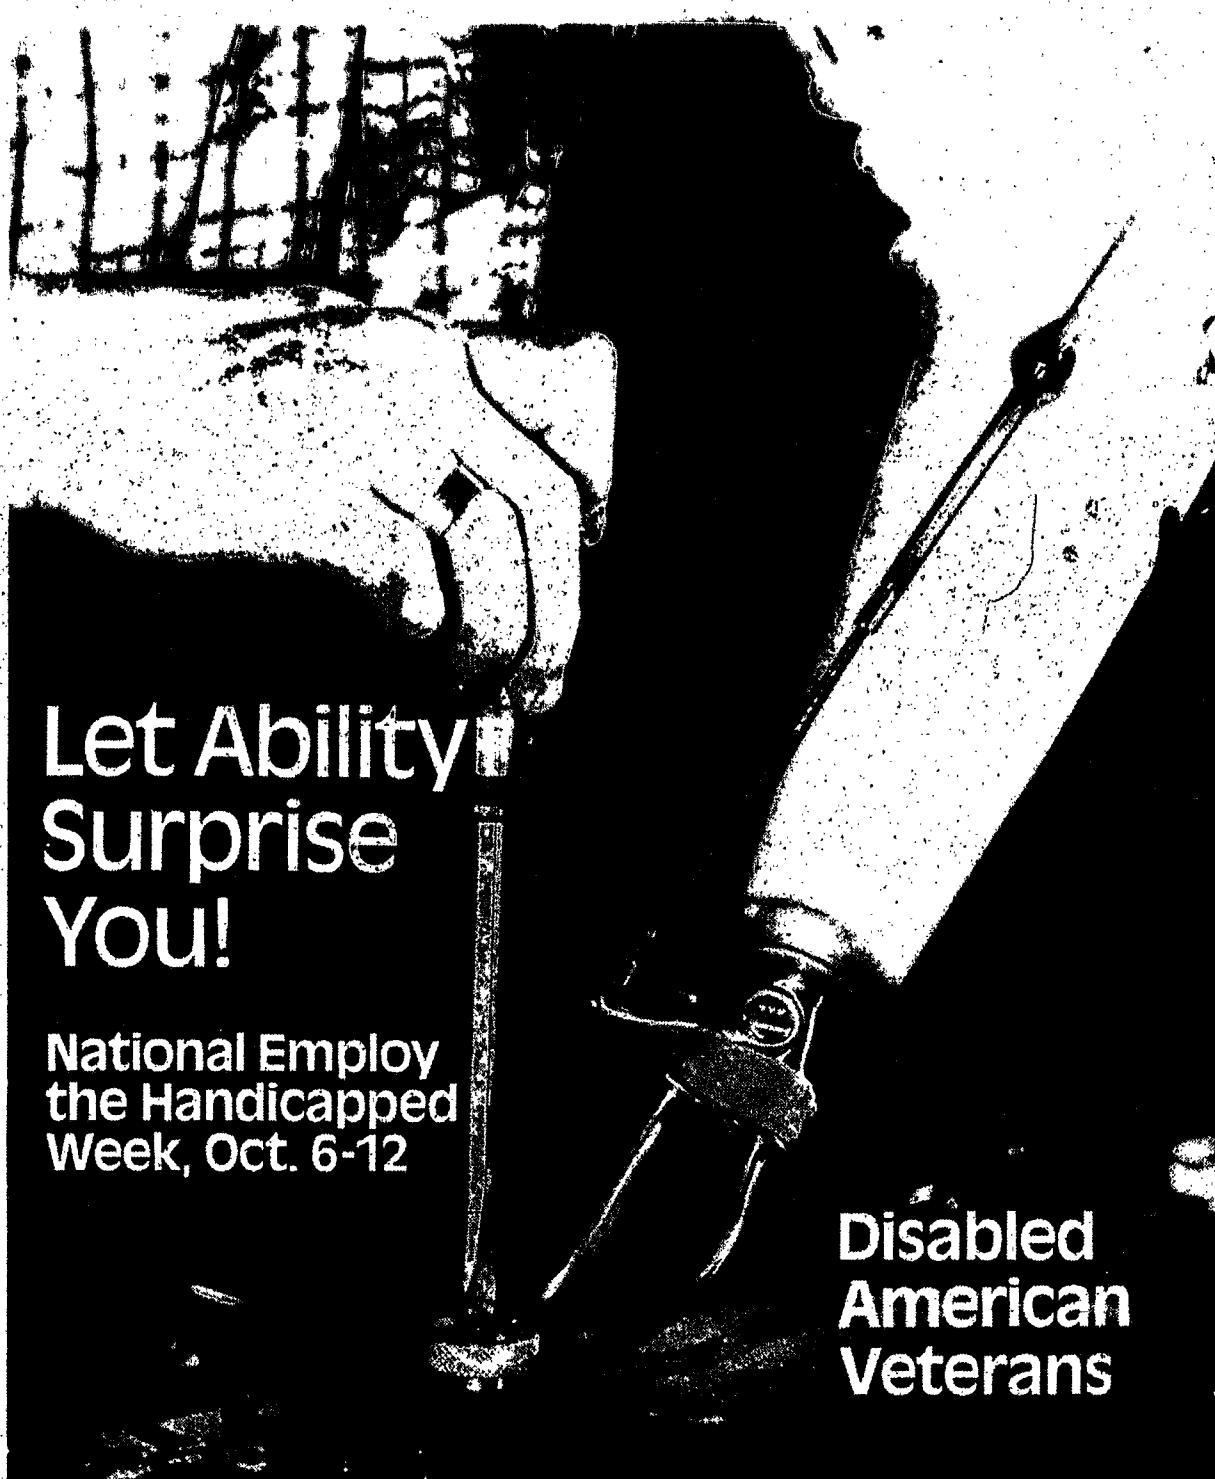

At the same time area employers and other members of the local communities are encouraged to make a special effort to make handicapped people a part of their team. It pays off in benefits to the employer, to the community and to every handicapped person in the country.

Experience shows that handicapped workers are very dependable employees with unsurpassed loyalty and honesty. They have proven to be as productive as any other group of citizens when provided with jobs in which they can be and feel productive.

Employers should take a close look at their organization. It's a good bet there are jobs which can be performed, and performed well, by people with handicaps.

Mississippi State Employment Service stands ready to assist in locating handicapped employees who will get the job done. The staff of the agency may also be able to assist employers in determining which jobs might be performed by workers with various limitations.

The local office of the Mississippi State Employment Service is located in Valena C. Jones Building in Bay St. Louis.

## Unclaimed funds locator fees a scam

State Treasurer Bill Cole, in response to a number of inquiries, has issued words of caution about the operations of the International Home Shopping Company that promises to locate unclaimed funds for a fee in Mississippi.

In recent weeks the IHS Company has been contacting people in Mississippi informing them that they could be eligible to receive unclaimed property funds. The company advises that, for a documentation fee of \$19, they can determine your unclaimed funds office contact.

In cautioning the public about the operations of the IHS Company, Cole said the State Treasury Department can provide essentially the same assistance at no cost.

If anyone in Mississippi believes that they might be the owner of unclaimed property held by the state or wishes to make a determination, all they have to do is contact the State Treasurer's Office.

The Unclaimed Property Division of the State Treasurer's Office has located some \$4 million in unclaimed funds and returned over \$1 million to the rightful owners and their heirs.

"Since the Mississippi law is only three years old, this is the first we have seen of this type company beginning to operate in the state," Cole stated.

Should you have any questions concerning unclaimed property, contact the State Treasurer's Office, Unclaimed Property Division, P.O. Box 138, Jackson, MS 39205.

## Con artists often seek elderly victim

Being singled out by con artists as targets for consumer fraud is a major problem encountered by older adults.

However, the elderly can protect themselves by taking steps recommended by the Mississippi Council on Aging (COA), Governor's Office of Federal-State Programs.

"Many older persons have special concerns that make them particularly easy prey for swindlers," said COA Director Dr. David Brown.

"Worries about finances, taking special care of their health and problems involved in keeping up their homes provide fertile ground for unscrupulous individuals to offer a wide variety of money making or money saving schemes, cheap and easy sounding health cures and home improvement plans which sound very tempting."

He said the elderly should beware of schemes that offer "something for nothing" and bargains too good to be true. "There's often a catch, and, unfortunately, many elderly persons find this out too late."

The term "confidence game" is an apt description of the way swindlers operate. They gain the confidence, and money, of the victim before the victim realizes what has happened, then they quickly disappear.

"The financial loss and the mental stress suffered by an individual taken in by a con artist can be much more devastating for an older victim than for a younger one," Brown said.

"Unlike younger persons, who can eventually replace monetary losses through future earnings, the older victim has little hope of regaining financial resources once they have been lost."

In addition, the lasting effects of anxiety and remorse are likely to be much more severe for the older victim when he or she realizes the extent of the loss.

Examples of con games cited by Brown include:

- The bank examiner. A phony bank or savings "investigator" contacts the victim and states that the victim can help trap a dishonest employee by using money the victim must draw out of his or her account.
- The "pigeon drop." This scheme involves the "finding" of money by a swindler who convinces victims that they can share in the money by putting up some of their own money to show "good faith."
- The fence. The swindler approaches his intended victim with a "good deal" on merchandise he says is "hot," but cannot be traced. The swindler requires cash to get the merchandise, and, of course, never returns.
- Funeral chasers. A "salesman" appears at the home of a victim who has recently lost a loved one claiming that the deceased made a down payment on an item and asks for the balance of the payment.

The swindler can be very convincing by displaying knowledge of the victim obtained through an obituary notice to take advantage of the victim's emotional condition.

- Home repairs. This scheme in-

volves a "repairman" who just happens to be in the neighborhood and offers to do repair work on the victim's house at a bargain price because he has materials left over from the previous job. The "repairman" does an inferior job, then disappears.

Confidence schemes also include a wide variety of small fraud and medical quackery that takes advantage of ailments plaguing the elderly by promising "miracle" cures.

Brown warned against making quick decisions when being pressured by a salesman and said elderly citizens should never do business with strangers without obtaining proper identification.

"Most reputable salesmen won't pressure you to make a quick decision," he said. "Many types of fraud take place because the buyer or investor didn't take the necessary time to analyze the offer. As in other crimes, knowing what to watch for and adopting a set of practices for self protection may save you a good deal of worry and money."

Some specific recommendations made by COA are:

- Ask for and check references of anyone representing himself or herself as a bank investigator or official of any kind. Call the bank or office represented, but first look up the telephone number yourself. And never, under any circumstances, should you give your money to a stranger, especially if you are asked to withdraw the money from a bank account.
- Seek advice about, check out and think through any proposal which involves the expenditure of cash, signing over of property or signing of a contract.
- Be suspicious of any bargains, services or free offers of any kind which come by mail or involve ordering by mail.
- Get medical treatment or advice only from a licensed health care practitioner.
- Have home repairs done only by qualified workmen.

Anytime you pay for merchandise or service, obtain a receipt.

"If you suspect that an offer might not be legitimate, or if you discover that you have been the victim of fraud," Brown said "you should not hesitate to contact authorities."

"Remember," he emphasized, "a con man preys upon our weaknesses to obtain a good deal. When approached by a stranger who appears to have an offer too good to pass up, you may be dealing with a con artist."

## LETTERS TO THE EDITOR

### Federal disaster official salutes volunteers

Dear Editor:

We in the Federal Emergency Management Agency team responding to Hurricane Elena would like to recognize the volunteers on the local, state and national level who have worked so hard to help the residents of Gulf Coast Mississippi recover from this disaster.

We have long recognized how important voluntary relief agencies are to a disaster recovery effort. Certainly, agencies such as Red Cross, Salvation Army and church groups were responding to disasters long before there was a federal disaster relief agency.

Local volunteers—rescue squads, fire departments and others—are first responders, truly neighbors helping neighbors.

At times, however, so much attention is placed on the federal response

effort that the great contributions of volunteers is forgotten.

Volunteers leave their jobs, their loved ones, their homes at a moment's notice to assist disaster victims. Sometimes that assistance comes in tangible forms such as food, shelter or emergency funds.

At other times, the help is a shoulder to cry on, a sympathetic ear, a soft hug of compassion and warmth. Whatever volunteers are called on to give, they give from their hearts.

Our nation was born in the spirit of the volunteer—the Minuteman of Lexington and Concord. That spirit is alive and well represented today by the gallant volunteers who respond to today's disasters.

### Theft victim promises to keep car locked

Editor  
Sea Coast Echo

Dear Editor,

Someone last Tuesday stole my battery.

I go to bed at 11:30 p.m. so he had to have stolen it after I went to bed.

My car was parked near my house, but I didn't hear a sound.

I think my car was unlocked, but I usually keep it locked.

In the morning I called the police.

A nice policeman came and wrote all the data down. Then I called my insurance company.

Oh yes, in the meantime, I had a

new battery installed. Cost me \$89. Well, I thought I'd have no trouble with my insurance company, but I sure did.

I had auto insurance, so I thought I'd have no trouble getting \$89.

I could get something if I were in a serious accident or if I were killed.

They told me if I had comprehensive insurance I could get it.

I didn't even know I didn't have it. I don't understand insurance anyway.

This letter is just to warn people to always lock their cars.

### Parents for Quality Education urge attendance at school functions

To the Editor  
The Sea Coast Echo

Dear Sir:

The beginning of October finds us well into our brand new school year. This special time of "new beginnings" is certainly a cause for excitement. We, as parents, and our children celebrate seeing old friends and teachers in addition to the new, who will be added to our list of friends before this school term ends.

One of the most meaningful ways to begin a new school year is through a get-acquainted night at your child's school. We take this opportunity to compliment Mr. James Baldree and his faculty for the open house they conducted at Waveland Elementary.

Further we would encourage the parents of children at North Bay Elementary to attend open house at that campus on Tuesday, Oct. 8 at 6 p.m.

We understand that Mr. Roger James and his staff have prepared a most informative evening for the parents.

Every effort on behalf of educators to involve parents in the educational process coupled with a positive response by the parents can only serve to promote continued success in a child's education. We cannot recommend highly enough parents having a congenial working relationship with their child's teacher and school officials.

Attend your child's open house this coming Tuesday at North Bay Elementary and learn what you can do to make his or her education the best it can be!

Sincerely,

## Quotables by Cuevas

Congratulations are in order for the Bay High Tigers high school football team on capturing the Deep South Conference championship Friday night.

It was victory number five for Head Coach Cleveland Williams and his Tigers, a 34-0 win over East Central.

This is the best record for a Bay High high school team in a very long time, and know everyone at the school is very happy.

We wish the team continued success in the final half of the season.

The games between St. Stanislaus and Hancock North Central are still on tap for Bay High, but are non-conference tilts.

We have a feeling that the action should be great when the Tigers tangle with the Hawks and also with the Rock-A-Chaws.

There will be a Blood Drawing Wednesday, Oct. 9 at the Clement R. Bontemps American Legion Home, Blue Meadow Road, Bay St. Louis.

You will note that the time will be from 2 to 7 p.m., as the drawing time is shortened by one hour.

As always, there is a severe shortage of blood, and we are hoping many will give a unit on Wednesday.

The record rainfall in recent weeks has caused many pot holes, chunk holes, or whatever you want to call them on many streets.

A Waveland resident referred to them as 'stingray beds', and persons who do a lot of floundering would agree with him.

I know one thing for sure, those holes by whatever name you want to call them are not easy on automobiles.

The Month of October has been designated as Adopt-A-Dog month nationwide.

Our Hancock County Animal Shelter, as thousands of others across the nation are, is trying to place as many dogs as well as cats for adoption during October.

The local animal shelter is located on Gulfside Drive, off St. Joseph Street, Waveland behind Fire Station No. 2.

Hours for adoptions are Tuesday through Saturdays, 10 a.m. to 5 p.m.

The Animal Shelter has many dogs waiting for new owners, and only a \$10 fee is charged for each animal. This covers the rabies vaccination order and the 5-1 shot.

If you have been thinking about a dog as a pet, October would be a good time.

## Review process outlined on Corps proposal to dredge in West Pearl

**EDITOR'S NOTE:** The U. S. Army Corps of Engineers is seeking comments on its proposal to resume maintenance dredging on the West Pearl River. This article represents the last in a series on the Corps' proposal. Other parts dealt with the project history and the environmental and economic sides of resuming maintenance dredging.

**VICKSBURG.** The U. S. Army Corps of Engineers proposes to resume maintenance dredging on the West Pearl River, say officials from the Vicksburg District office.

The Corps proposes to dredge at nine sites to restore navigation from the mouth of the Pearl River to Bogalusa, La. (58 miles).

"We have issued a public notice describing the proposal," said Michael Logue, public affairs officer for the district. "We are requesting and will be accepting comments on the proposal for the next 30 days. Any individual, agency or interested group should respond in writing to the Vicksburg office."

Pursuant to Section 404 of the Clean Water Act (1972), all factors relating to the affected aquatic ecosystem which may be relevant to the proposal will be considered and evaluated in light of guidelines promulgated by the Environmental Protection Agency.

The decision whether or not to allow construction of this activity will be based upon an evaluation of the probable impacts of the proposed discharge of dredged materials into waters of the United States.

That decision will reflect the national concern for both protection and utilization of water-related resources.

The benefits which may be reasonably expected to accrue from the proposal must be balanced against its reasonably foreseeable detriments.

Any person may make a written request for a public hearing to consider this permit application. The request must be submitted by the

specified deadline (expiration of the public notice) and must clearly state why a hearing is necessary.

"We ask everyone to please bring this proposed activity to the attention of anyone who might be interested in this matter," Logue said.

Comments are expected from local, state, and Federal agencies, business concerns, private organizations and individuals. All comments will be considered during the evaluation of the proposed activity.

Logue noted that the public would be afforded opportunities to talk to Corps officials about the proposal.

"The Vicksburg District plans to be available to discuss the proposal during the comment period. We will

be in the Bogalusa, Slidell, and Plaquemine areas in the coming weeks. The specific times, dates, and locations will be forthcoming," he explained.

During the comment period, the Mississippi Department of Natural Resources and the Louisiana Department of Environmental Quality will evaluate the proposal relative to water quality criteria.

After the evaluation of the proposal has been completed, and if the decision is made to issue 404(b) approval and if the respective states have certified the proposal, the Vicksburg District will request authorization for funding to main-

tain and operate the authorized project.

This decision will be made from a higher command of the U.S. Army Corps of Engineers. A decision is anticipated by the first of next year.

"We are making every effort to inform the residents of the Lower Pearl River of this proposal," Logue emphasized.

He invites written statements or questions concerning this proposal. They should be addressed to the U.S. Army Corps of Engineers, Vicksburg District, P.O. Box 60, Vicksburg, MS 39180-0060, Attention LMKOD-F.

Those wishing to telephone may call the Public Affairs Office at (601) 634-5052 or 5053.

## Bay craftsman featured in arts-crafts shows

Mrs. Nevlyn Nichols of Bay St. Louis earned a Best of Show award recently at Mistletoe Market Place Arts and Crafts Show at Coast Coliseum in Biloxi.

Seven judges gave the award based on originality, workmanship and display.

Mrs. Nichols first showed her work in Shreveport, La. in April.

Since then she has shown in Jackson, Canton, Bay St. Louis, Keeler, Hattiesburg, Pass Christian, Long Beach, Biloxi and Diamondhead.

Her next shows will include Canton, Oct. 10; Bay St. Louis Food Festival, Oct. 12 and 13; and by special invitation at Bay St. Louis

Little Theatre "Creating Christmas" Nov. 30 and Dec. 1.

She is a new member of Mississippi Gulf Coast Craftsman's Guild and hopes to be at the Guild Show at Biloxi Coliseum the weekend after Thanksgiving.

Mrs. Nichols, showing under the craft name "Original Arts by N.A.N.," makes her crafts in her garage.

She has had several offers to place her work in gift shops in Waveland, Bay St. Louis, Gulfport and Jackson, but at the present her sales are limited to arts and craft shows.

She specializes in original and uni-

que crafts, decorated mirrors, Victorian baskets, tiny "Baskets of Cheer," fabric and wood wall hangings and fancy dressed wood geese.

Look for her at the next arts and craft show for something different or "the unusual."

**24-HOUR  
EMERGENCY CARE**

When accidents happen or illness strikes, the need for prompt, expert medical care can be critical.

Now you can have peace of mind, knowing that 24-hour emergency care is only minutes away.

NorthShore Regional Medical Center offers complete round-the-clock emergency medical services:

• The only ambulance service on the North Shore with 24-hour coverage by national registered paramedics, from the emergency site to the hospital. Registered paramedics are specialists in recognizing and responding to life-threatening crises.

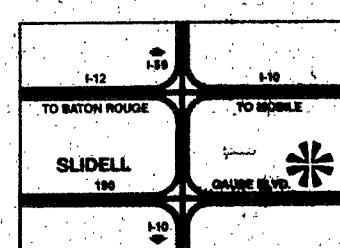

• A highly skilled, caring emergency and trauma staff, backed by our medical staff of leading area physicians.

• State-of-the-art equipment in ambulances and the Emergency Room.

**Another advantage: tiered-pricing**

Tiered-pricing means that you pay only for the degree of care you require. Unlike most hospitals, NorthShore does not charge a flat fee for Emergency Room admissions. In other words, a sore throat doesn't cost you as much as a serious fracture.

For yourself and your loved ones, remember NorthShore's 24-Hour Emergency Care Ambulance Service: 646-5050. Outside Louisiana, call toll-free: 1-800-344-6695.

## National Employ The Handicapped Week proclaimed

October 6-12 has been proclaimed "National Employ the Handicapped" week.

The Coast offices of the Mississippi State Employment Service join President Reagan and Governor Allain in the observance of this special week by renewing their pledge to make year-round efforts to increase employment opportunities for handicapped citizens.

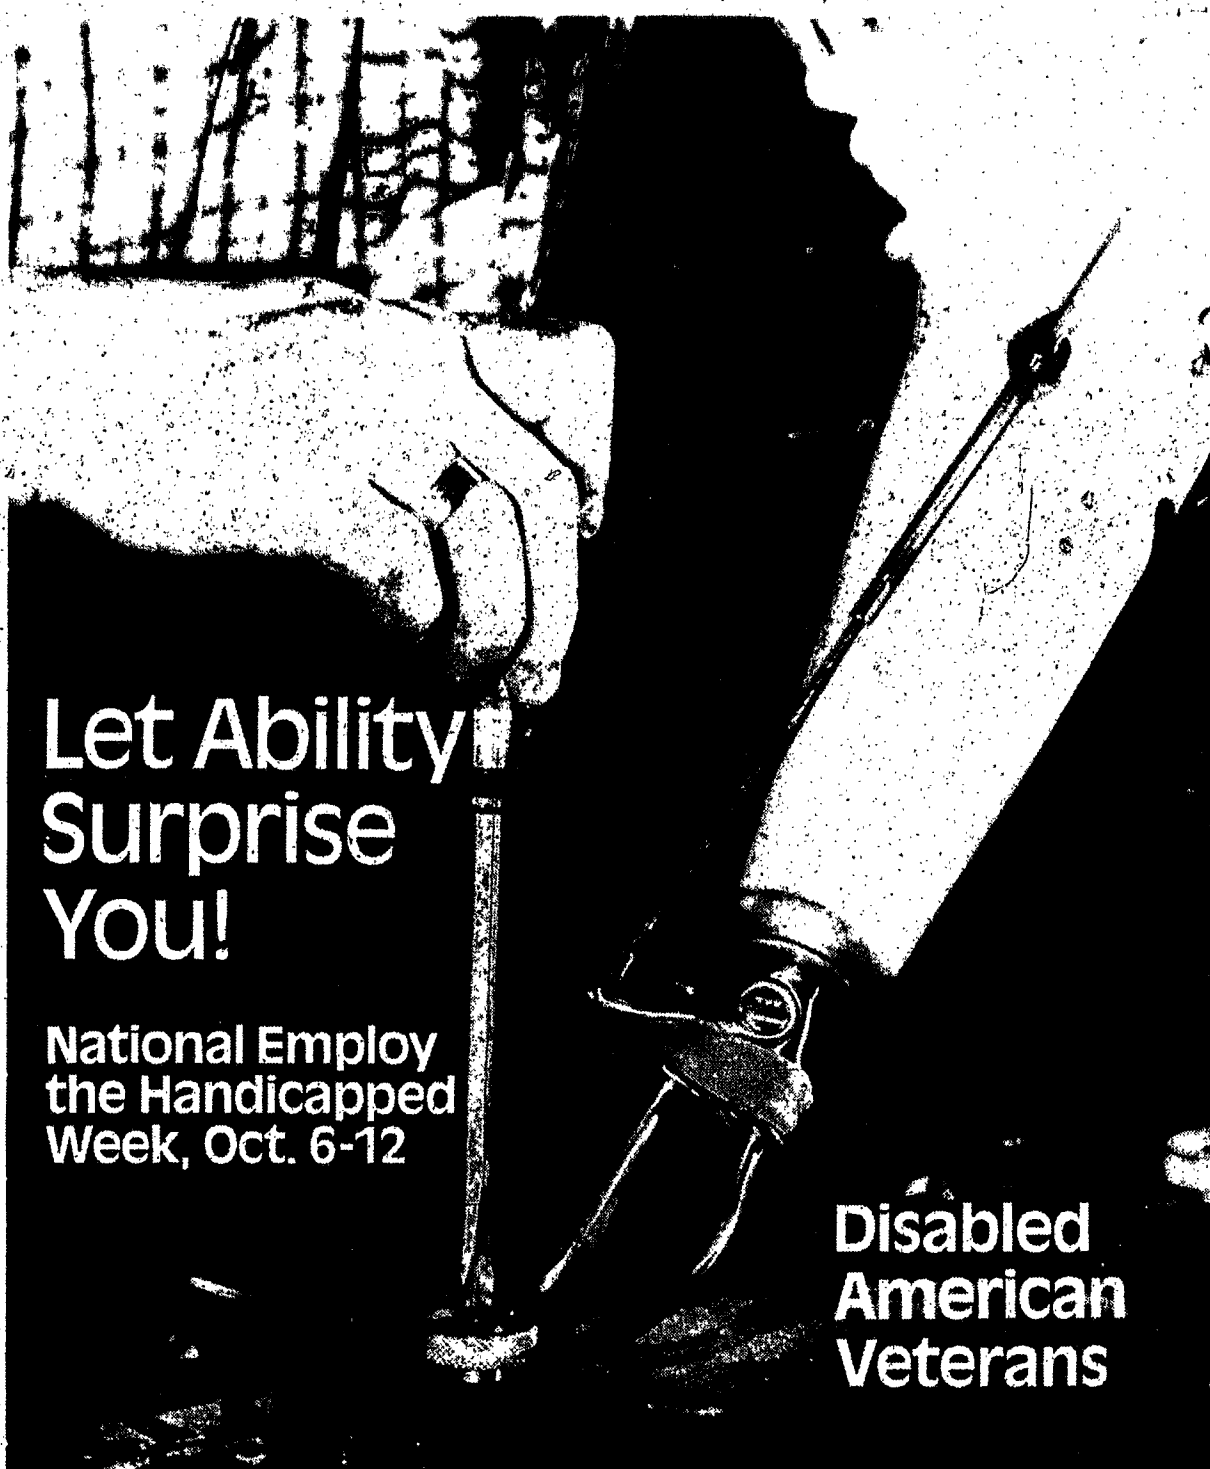

At the same time area employers and other members of the local communities are encouraged to make a special effort to make handicapped people a part of their team. It pays off in benefits to the employer, to the community and to every handicapped person in the country.

Experience shows that handicapped workers are very dependable employees with unsurpassed loyalty and honesty. They have proven to be as productive as any other group of citizens when provided with jobs in which they can be and feel productive.

Employers should take a close look at their organization. It's a good bet there are jobs which can be performed, and performed well, by people with handicaps.

Mississippi State Employment Service stands ready to assist in locating handicapped employees who will get the job done. The staff of the agency may also be able to assist employers in determining which jobs might be performed by workers with various limitations.

The local office of the Mississippi State Employment Service is located in Valena C. Jones Building in Bay St. Louis.

## Unclaimed funds locator fees a scam

State Treasurer Bill Cole, in response to a number of inquiries, has issued words of caution about the operations of the International Home Shopping Company that promises to locate unclaimed funds for a fee in Mississippi.

In recent weeks the IHS Company has been contacting people in Mississippi informing them that they could be eligible to receive unclaimed property funds. The company advises that, for a documentation fee of \$18, they can determine your unclaimed funds office contact.

In cautioning the public about the operations of the IHS Company, Cole said the State Treasury Department can provide essentially the same assistance at no cost.

If anyone in Mississippi believes that they might be the owner of unclaimed property held by the state or wishes to make a determination, all they have to do is contact the State Treasurer's Office.

The Unclaimed Property Division of the State Treasurer's Office has located some \$4 million in unclaimed funds and returned over \$1 million to the rightful owners and their heirs.

"Since the Mississippi law is only three years old, this is the first we have seen of this type company beginning to operate in the state," Cole stated.

Should you have any questions concerning unclaimed property, contact the State Treasurer's Office, Unclaimed Property Division, P.O. Box 138, Jackson, MS 39205.

## Con artists often seek elderly victim

Being singled out by con artists as targets for consumer fraud is a major problem encountered by older adults.

However, the elderly can protect themselves by taking steps recommended by the Mississippi Council on Aging (COA), Governor's Office of Federal-State Programs.

"Many older persons have special concerns that make them particularly easy prey for swindlers," said COA Director Dr. David Brown.

"Worries about finances, taking special care of their health and problems involved in keeping up their homes provide fertile ground for unscrupulous individuals to offer a wide variety of money making or money saving schemes, cheap and easy sounding health cures and home improvement plans which sound very tempting."

He said the elderly should beware of schemes that offer "something for nothing" and bargains too good to be true. "There's often a catch, and, unfortunately, many elderly persons find this out too late."

The term "confidence game" is an apt description of the way swindlers operate. They gain the confidence, and money, of the victim before the victim realizes what has happened, then they quickly disappear.

"The financial loss and the mental stress suffered by an individual taken in by a con artist can be much more devastating for an older victim than for a younger one," Brown said.

"Unlike younger persons, who can eventually replace monetary losses through future earnings, the older victim has little hope of regaining financial resources once they have been lost."

In addition, the lasting effects of anxiety and remorse are likely to be much more severe for the older victim when he or she realizes the extent of the loss.

Examples of con games cited by Brown include:

- The bank examiner. A phony bank or savings "investigator" contacts the victim and states that the victim can help trap a dishonest employee by using money the victim must draw out of his or her account.

- The "pigeon drop." This scheme involves the "finding" of money by a swindler who convinces victims that they can share in the money by putting up some of their own money to show "good faith."

- The fence. The swindler approaches his intended victim with a "good deal" on merchandise he says is "hot," but cannot be traced. The swindler requires cash to get the merchandise, and, of course, never returns.

- Funeral chasers. A "salesman" appears at the home of a victim who has recently lost a loved one claiming that the deceased made a down payment on an item and asks for the balance of the payment.

- The swindler can be very convincing by displaying knowledge of the victim obtained through an obituary notice to take advantage of the victim's emotional condition.

- Home repairs. This scheme in-

volves a "repairman" who just happens to be in the neighborhood and offers to do repair work on the victim's house at a bargain price because he has materials left over from the previous job. The "repairman" does an inferior job, then disappears.

Confidence schemes also include a wide variety of amil fraud and medical quackery that takes advantage of ailments plaguing the elderly by promising "miracle" cures.

Brown warned against making quick decisions when being pressured by a salesman and said elderly citizens should never do business with strangers without obtaining proper identification.

"Most reputable salesmen won't pressure you to make a quick decision," he said. "Many types of fraud take place because the buyer or investor didn't take the necessary time to analyze the offer. As in other crimes, knowing what to watch for and adopting a set of practices for self protection may save you a good deal of worry and money."

Some specific recommendations made by COA are:

- Ask for and check references of anyone representing himself or herself as a bank investigator or official of any kind. Call the bank or office represented, but first look up the telephone number yourself. And never, under any circumstances, should you give your money to a stranger, especially if you are asked to withdraw the money from a bank account.

- Seek advice about, check out and think through any proposal which involves the expenditure of cash, signing over of property or signing of a contract.

- Be suspicious of any bargains, services or free offers of any kind which come by mail or involve ordering by mail.

- Get medical treatment or advice only from a licensed health care practitioner.

- Have home repairs done only by qualified workmen.

- Anytime you pay for merchandise or service, obtain a receipt.

- "If you suspect that an offer might not be legitimate, or if you discover that you have been the victim of fraud," Brown said "you should not hesitate to contact authorities."

- "Remember," he emphasized, "a con man preys upon our weaknesses to obtain a good deal. When approached by a stranger who appears to have an offer too good to pass up, you may be dealing with a con artist."

## Review process outlined on Corps proposal to dredge in West Pearl

This article represents the last in a series on the Corps' proposal. Other parts dealt with the project history and the environmental and economic sides of resuming maintenance dredging.

**VICKSBURG.** The U. S. Army Corps of Engineers proposes to resume maintenance dredging on the West Pearl River, say officials from the Vicksburg District office. The Corps proposes to dredge at nine sites to restore navigation from the mouth of the Pearl River to Bogalusa, La. (58 miles).

specified deadline (expiration of the public notice) and must clearly state why a hearing is necessary.

"We ask everyone to please bring this proposed activity to the attention of anyone who might be interested in this matter," Logue said.

Comments are expected from local, state, and Federal agencies, business concerns, private organizations and individuals. All comments will be considered during the evaluation of the proposed activity.

Logue noted that the public would be afforded opportunities to talk to Corps officials about the proposal.

"The Vicksburg District plans to be available to discuss the proposal during the comment period. We will

be in the Bogalusa, Slidell, and Picayune areas in the coming weeks. The specific times, dates, and locations will be forthcoming," he explained.

During the comment period, the Mississippi Department of Natural Resources and the Louisiana Department of Environmental Quality will evaluate the proposal relative to water quality criteria.

After the evaluation of the proposal has been completed, and if the decision is made to issue 404(b) approval and if the respective states have certified the proposal, the Vicksburg District will request authorization for funding to main-

tain and operate the authorized project.

This decision will be made from a higher command of the U.S. Army Corps of Engineers. A decision is anticipated by the first of next year.

"We are making every effort to inform the residents of the Lower Pearl River of this proposal," Logue emphasized.

He invites written statements or questions concerning this proposal.

They should be addressed to the U.S. Army Corps of Engineers, Vicksburg District, P.O. Box 60, Vicksburg, MS 39180-0060, Attention LMKOD-F.

Those wishing to telephone may call the Public Affairs Office at (601) 634-5052 or 5053.

## Bay craftsman featured in arts-crafts shows

Mrs. Nevelyn Nichols of Bay St. Louis earned a Best of Show award recently at Mistletoe Market Place Arts and Crafts Show at Coast Coliseum in Biloxi.

Seven judges gave the award based on originality, workmanship and display.

Mrs. Nichols first showed her work in Shreveport, La. in April.

Since then she has shown in Jackson, Canton, Bay St. Louis, Keesler, Hattiesburg, Pass Christian, Long Beach, Biloxi and Diamondhead.

Her next shows will include Canton, Oct. 10; Bay St. Louis Food Festival, Oct. 12 and 13; and by special invitation at Bay St. Louis

Little Theatre "Creating Christmas" Nov. 30 and Dec. 1.

She is a new member of Mississippi Gulf Coast Craftsman's Guild and hopes to be at the Guild Show at Biloxi Coliseum the weekend after Thanksgiving.

Mrs. Nichols, showing under the craft name "Original Arts by N.A.N.," makes her crafts in her garage.

She has had several offers to place her work in gift shops in Waveland, Bay St. Louis, Gulfport and Jackson, but at the present her sales are limited to arts and craft shows.

She specializes in original and uni-

que crafts, decorated mirrors, Victorian baskets, tiny "Baskets of Cheer," fabric and wood wall hangings and fancy dressed wood geese.

Look for her at the next arts and craft show for something different or "the unusual."

### 24-HOUR EMERGENCY CARE

When accidents happen or illness strikes, the need for prompt, expert medical care can be critical.

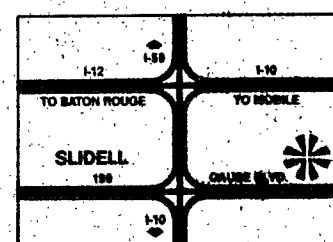

Now you can have peace of mind, knowing that 24-hour emergency care is only minutes away.

NorthShore Regional Medical Center offers complete round-the-clock emergency medical services:

- The only ambulance service on the North Shore with 24-hour coverage by national registered paramedics, from the emergency site to the hospital. Registered paramedics are specialists in recognizing and responding to life-threatening crises.
- A highly skilled, caring emergency and trauma staff, backed by our medical staff of leading area physicians.
- State-of-the-art equipment in ambulances and the Emergency Room.

**Another advantage: tiered-pricing**  
Tiered-pricing means that you pay only for the degree of care you require. Unlike most hospitals, NorthShore does not charge a flat fee for Emergency Room admissions. In other words, a sore throat doesn't cost you as much as a serious fracture.

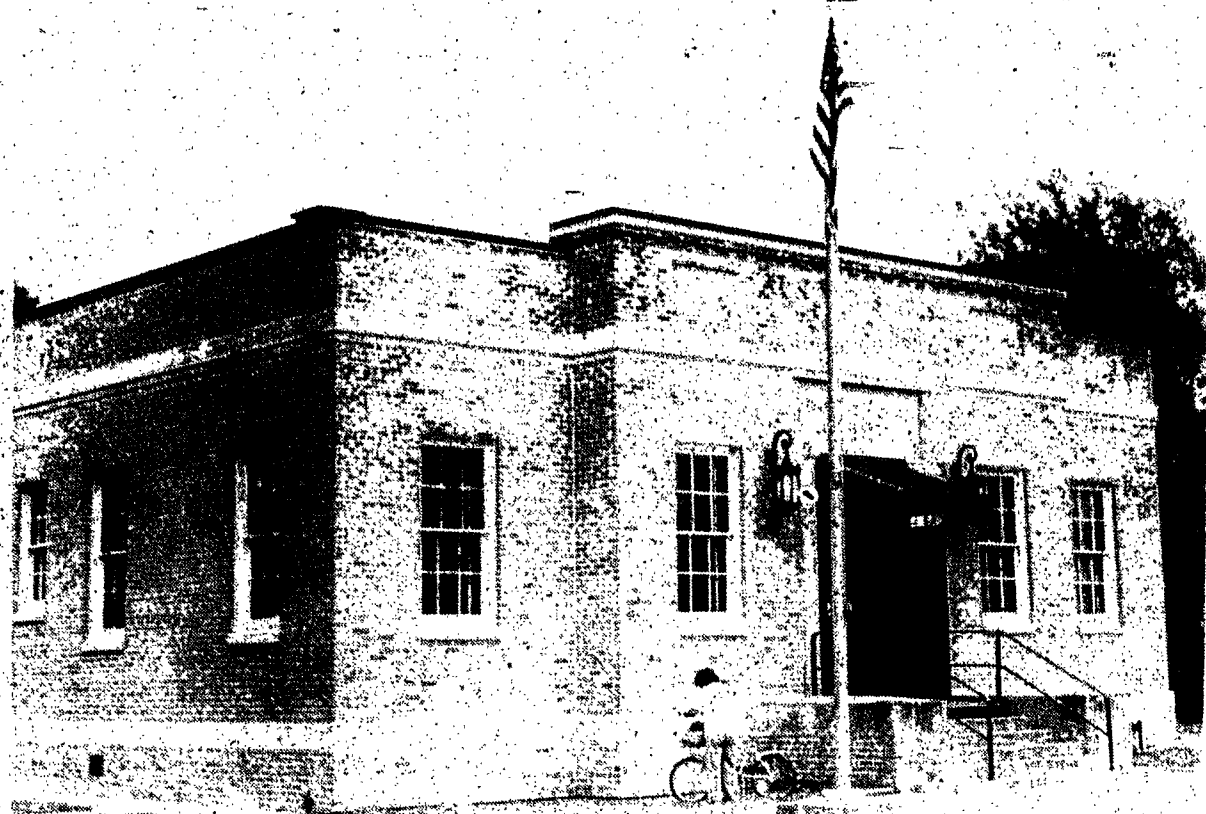

For yourself and your loved ones, remember NorthShore's 24-Hour Emergency Care Ambulance Service: 646-5050. Outside Louisiana, call toll-free: 1-800-344-6695.

1 mile south of the I-10, I-12 and I-59 intersection. Adjacent to the Gause Blvd. (190) exit of I-10.

**POST OFFICE TO MOVE**—The United States Postal Service's Bay St. Louis office, above, will move to new quarters on U.S.-90 in the western section of the city. USPS is now seeking bids for a site location in a preferred area to construct a 18,000 square foot building. The current facility was constructed in 1935 and occupied in

1936. A post office was established in Shieldsborough in 1837 which was later changed to Bay St. Louis in 1869. The city's name was changed in 1858. The new facility will triple the number of post office boxes, and there will be parking for at least 40 customers, said Tom Hill, Bay postmaster. (Staff photo by Ellis Cuevas).

## Advice on small business available through library

More than 100 Small Business Administration (SBA) publications and pamphlets are now available at local public libraries according to Prima Wusack, director of the Hancock County Library System.

The publications, covering a wide variety of small business subjects, were provided by the SBA through Mildred Buerkle of Diamondhead, Service Corps of Retired Executives (SCORE) counselor.

According to Wusack, the local library system receives numerous calls from persons needing information and assistance for starting or operating a small business.

"We want people to know that not only do we have informational materials available, but that there is a SCORE representative in our area," said Wusack.

SCORE is a nonprofit organization made up of more than 11,000 retired executives who provide free business counseling and assistance on just about any small business problem that might arise.

Buerkle was vice-president in charge of finance and administration for Southwest Fabrication of Houston. She has been a SCORE counselor since 1982.

The publications available through the public library system can be borrowed by anyone holding a valid library card.

## Post office.....

CONTINUED FROM PAGE 1A

The only black postmaster was Louis J. Piernas from 1897 to 1911.

Andy J. Becker, a Bay St. Louis resident, served as postmaster 1957-72 for a record of 15 years. The late Leo G. Ford served 14 years, 1937-51.

Hill has been the Bay St. Louis postmaster since May of 1979.

The first post office located in Hancock County was at Pearlinton in 1824, followed by Hobolochitto in 1832, which was discontinued in 1870.

The Bay St. Louis (Shieldsborough) was the third U.S. Post Office to be established in Hancock County.

## Point of Law

(Prepared by the Mississippi State Bar. Some rights may vary from locality to locality. Always consult an attorney when in doubt about your legal rights.)

**Q:** Can landlords raise the rent whenever they want to?

**A:** In a month-to-month tenancy, stability in the amount of rent may exist only on a monthly basis. In a year's lease, the landlord cannot raise the rent during the term of the lease.

If the landlord wants to raise the rent during the lease period, he or she must give the tenant something in return, i.e., a new contract.

Landlords have one way to demand higher rent, an "escalator" clause in the lease. This provides that if the landlord's cost suddenly increased dramatically, for example, for energy, the landlord has the right to demand higher rent.

**Q:** Are landlords entitled to receive their rent under all circumstances?

**A:** In states that recognize the warranty of habitability, tenants can purposely fail to pay all or portion of the rent due because of the landlord's failure to keep the place livable. This is called "rent abatement."

If the tenant withholds rent, he or she must be prepared:

- 1) to defend the amount withheld in court if the landlord sues the tenant for eviction;
- 2) to prove that the defect in question was a serious one; and
- 3) to verify that the landlord was given notice that something was wrong and had the opportunity to fix it.

Failure to pay the rent without a reason is the quickest way to be evicted.

# Double safeties fail to give Pass needed margin over Stone

By EDGAR PEREZ

Stone County High School's running back Michael Howze and kicking specialist James King led their Tomcat teammates to a 17-4 homecoming victory over the Pass Christian Pirates in Perkinston Friday night.

Howze, the contest's leading rusher, posted two touchdowns on runs of two and 15 yards, respectively, and King contributed the ball game's first score with a field goal from the 20-yard-line as well as extra points after both Stone TDs.

Pirate tackle Derrick Daniels and back J. W. Dedeaux were in on the defensive efforts which gave the Pass their four-point scoring total on safeties in both the second and fourth quarters.

King's three-point boot came in the opening seconds of the second quarter to climax the Tomcats' third possession when they took control after an errant Pirate punt sailed out of bounds at the Pass 20-yard-line.

The fourth-down field goal came after Stone was unable to move closer in three plays, including a seven-yard loss engineered by Pirate linebacker Rod Jenkins.

The Pirates began their third series at their own 30, but in spite of a 30-yard pass completion from Vincent Henderson to Winston Ausmer, they were unable to get much beyond mid field in nine plays.

Jenkins Punted the Tomcats into a hole at their own five, providing Dedeaux the opportunity to post the Pirates' first two points with eight minutes remaining in the first half.

Offensive highlights for the Tomcats in the scoreless remainder of the first half included 15-yard run by Howze and a 15-yard pass completion from Stacy Johnson to Corey Diaz.

Linebacker Chris Loveless contributed to the Tomcat success in keeping the Pirates bottled up at mid-field when he threw Ausmer for a seven-yard loss late in the period.

Pirates J. W. Dedeaux and Shinnal Conway each snagged a Tomcat pass to stall the Stone third quarter offense.

Pirate Gary Smith returned King's second half opening kickoff from the Pirate five to mid-field.

But Stone regained possession on a fumble recovery, only to lose the ball six plays later when Dedeaux rudely interrupted a Tomcat pass play with another interception.

Back Charles Williams set up Stone's first touchdown with a fumble recovery at the Pirate 17.

Howze drove the Cats to the one foot line before sweeping left end on fourth down for the first Stone touchdown.

King's kick brought the tally to 10-2 with 30 seconds left in the third quarter.

Stone scored its second TD early in the final period after the Pirates were forced to punt out of trouble.

The Tomcats began their six-play scoring drive from the fifty, picking up 20 yards rushing including a 10-yard scamper by Charles Williams, adding 15 yards on a personal foul penalty against the Pirates, and capped by a 15-yard dash to paydirt by Howze.

The third scoring kick by King left the Pirates trailing 17-2 with eight and a half minutes to play.

A 30-yard kickoff return by Dedeaux opened a 65-yard, 15-play drive by the Pirates to the Stone three.

The Tomcat defense never wavered, however, and Stone took over on downs at its own three.

Pass Christian by now was hungry for a score, and settled for two points when Daniels nailed Stone back DeJuan Jamison in the home team's end zone.

Pass lost its ensuing possession when Corey Diez snatched off a Pirate pass attempt at the Stone 35.

With turn-about considered fair play, Pirate Horace Lizana grabbed a Stone fumble two plays later, but

by then the clock had become the Pirates' biggest enemy, and time ran out on the action in Gulf Coast Junior College Stadium in Perkinston.

Stone takes its 2-3 record to Vancleave in Jackson County Friday, and Pass Christian will entertain East Central with homecoming festivities.

# Goff, Beech lead Junior Hawks to 28-0 win over Rockachaws

Led by the running of Terrance Goff and Larry Beech, the Hancock North Central Junior High squad defeated the St. Stanislaus Rockachaws by a score of 28-0 in a game witnessed by more than 400 spectators at Rockachaw stadium Thursday afternoon.

Coach Joe Shaw's Hawks, now 4-1 on the season, with their only loss a 14-12 defeat by St. John's, were impressive as they scored the first time

kickoff to their own 20-yard line. On first down, Sewell reversed his field and picked up nine yards. A look-in pass to Nicaud fell incomplete on second down. A third down gave up the middle was unsuccessful and the Rocks had to punt.

The Hawks put the ball in play at their 43-yard line. Beech was met by Gino Ascani on first down for a three-yard gain. Moran kept the ball on second down and gained four

yards to the 50. Goff picked up the necessary first down yardage off left tackle, and the Hawks were again moving the football.

Running back Graham carried on first down, but Espisito tackled Graham for no gain as the Rocks defense began to stiffen. Moran kept on second down for three yards, and

both squads began to see action. The Rocks desperately tried to move the ball, but a Sewell pass was intercepted by Moran, who returned it to his 32-yard line before being tackled by Scott Heitzmann. Time expired with the Hawks in front of the Rocks 28-0.

SSC Junior High Coach Larry Ramsey stated, "I thought our defense did a good job considering the amount of time they were on the field. We didn't give up any cheap scores. Next week we play Pearl River Central and we will be ready for them. Our boys needed some game experience and they got it today."

Next Thursday, the Hawks entertain St. Martin at home in a 7 p.m. contest while the Rocks will travel to Carriere for their game with Pearl River Central.

From this point the second unit of

**HIGH FLYING HAWK**—Hancock North Central Junior High Halfback Terrence Goff (24) skirts around the St. Stanislaus defense to add to his total yardage as top ground gainer in the Thursday contest at SSC Stadium. The Hawks downed the Junior Rocks 28-0. (Photo by John Falcon)

they touched the ball. Throughout the game the Hawks exercised ball control.

Each time the Rocks offense began to mount a drive, the Hawk defense rose to the occasion to either cause a fumble or intercept a pass.

Game experience seemed to play a major factor in deciding the out-

come of this game, as the Hawks had played four games before meeting SSC. This was the first game of the season for the Junior High Rocks.

"This was our first shutout of the season," commented Coach Shaw. "I was pleased with the defensive effort of our team."

Goff opened the scoring for the Hawks as he took Sean Sewell's punt on his own 46-yard line and outraced the Rock defenders around his right side for the touchdown. The extra point conversion for two points was good as Hawk quarterback Jeff Moran passed to Tater Graham. With 5:32 left in the first quarter, the Hawks led 8-0.

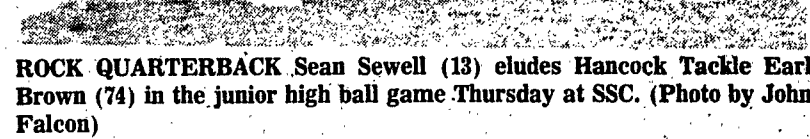

SSC's Shannon Garrett took Beech's kickoff and returned it to his own 40-yard line. Steven Dale carried for two yards on first down, and Gino Ascani gained six more on second down.

Facing a third and two, quarterback Sean Sewell threw a look-in pass which tight end Lloyd Nicaud dropped. The Rocks decided to go for it on fourth down, but a fumbled snap from center ended the Rocks' ball possession.

Hancock took over on the SSC 49-yard line. Graham gained two yards on first down, and on second down Graham was tackled by Dean Kelly for a one-yard gain. Goff picked up the first down on third down.

The Hawks concluded their scoring drive on a 24-yard run by Goff. Moran kept the ball and ran it in for the two-point conversion, and midway into the second quarter the Hawks led 16-0.

The Rocks returned the ensuing

threw incomplete to Graham on third down. A look-in pass to Goff was complete on fourth down, but not enough for the first and the Rocks took over on their 23-yard line.

Once again the Rocks could not move the football and Sewell punted to Goff who raced down to the Rocks' 34-yard line. With 18 seconds left in

the first half, Graham threw a halfback pass to the split end for the third Hawk touchdown. Moran's extra point pass to his wingback was good, and the Hawks took a 22-0 halftime advantage.

Nicaud kicked off to Casey Davis to start the third quarter. Hard running by Beech picked up another Hawk first down, but on the next series an off-tackle give to Goff was stopped by linebacker Bill Bradley. The Rocks held, and took over at their own 42.

On first down, Sewell fumbled the snap from center for a two-yard loss. On the next play, a pitch to running back Garrett could not be handled and the Hawks recovered on the SSC 37-yard line. Eight plays later Moran scored from the one-yard line on a QB sneak and the Hawks extended their lead to 28-0.

From this point the second unit of

## THE SEA COAST ECHO SPORTS

### Hayden to be honored at pre-game reception

Dr. J. J. Hayden, Jr., who is retiring at the end of the year as president of Gulf Coast Junior College, will be honored at a public reception on Saturday, Oct. 12.

The reception from 4:30 p.m. to 6:30 p.m. in the cafeteria on the Jefferson Davis Campus is being sponsored by the campus Faculty Association and the college Board of Trustees.

It precedes the 7:30 p.m. football game in Biloxi Municipal Stadium between the Gulf Coast Bulldogs and the Pearl River Wildcats. The game is being dedicated to Hayden.

Hayden has been GJC's president for 32 years. During his tenure, the college has grown from a small rural school at Perkinston to a multi-

campus/center complex with an enrollment of more than 8,000 students.

### USM Homecoming theme selected

Homecoming festivities at the University of Southern Mississippi Nov. 2-3 will focus on the theme, "75 Ways to Win."

A committee of student representatives from organizations across the campus selected the theme, which will be used by their groups in campus displays that become more elaborate each year. The theme was based on an ongoing 75th anniversary celebration at USM.

Display winners for campus groups are selected in the categories of theme, beauty and originality.

Other special activities planned for the weekend include the annual run/walk event and reunions of the members of the classes of 1915, 1925, 1935, 1945, 1955, 1965 and 1975.

USM will battle East Carolina University in a homecoming football game scheduled for a 6 p.m. kickoff on Saturday, Nov. 2.

# Bay High Tigers win Deep South Conference title

BY DENA BISNETTE

The Bay St. Louis High School Tigers clinched the 1985 Deep South Conference championship Friday night by shutting out the East Central Hornets 34-0.

In addition, the Tigers won themselves a berth in the District VIII playoffs.

"I'm just so thrilled with this win. I don't know what to say," said Tiger Head Coach Cleveland Williams. "They went out there and played ball and won that thing outright."

"It was a good team effort both offensively and defensively. In the first half, we were able to run the ball and in the second half we were able to establish a good, balanced attack," the coach said.

"We really wanted to win this one," Assistant Coach Gary Griffin said. "I told them all week long that they've played like champions this season. I've been telling them they are champions."

"When we went in there our passing defense was mostly untested. We hadn't played teams that pass as much as East Central."

"The offense did a fine job after it got reorganized," said Assistant Coach G.L. MacRaney.

The Tiger offense was forced to reorganize after running back Willie Lewis was sidelined with a sprained ankle.

However, the Tigers are familiar

with reorganization due to injuries after having lost their starting quarterback, Jeffery Smith, in their second game.

This is the first conference victory for the Tigers under Williams, who is in his second year as head coach at Bay High.

The Tigers won the title with a 5-0 record and victories over Stone County, Pass Christian, Pearl River Central, Vancleave and East Central.

The Tigers wasted no time in scoring Friday night, working their way to a touchdown on their opening drive.

Bay High's first six points were posted for a 12-yard run by Willie Lewis. Stace McRaney followed the touchdown with a PAT kick, making the score 7-0 with 9:22 left in the first quarter.

In the second quarter, Tiger Aaron Whavers intercepted an East Central pass on the Hornet 25 yardline and ran it in for a touchdown.

McRaney's PAT raised the score to 14-0 with 4:15 to go in the first half.

Although passing had failed to gain a touchdown for the Hornets, it worked for the Tigers in the third quarter.

With 10:40 on the clock, Quentin Bell dropped back and threw the ball to Matt Fairconnetue, who ran it in for a touchdown and a total of 35 yards on the play.

McRaney kicked a PAT to up the score to 21-0.

Bay High scored a second touchdown in the third quarter on a drive that ended with a three-yard run by Bell on a keeper play.

With 1:44 left in the quarter, McRaney added a PAT, giving the Tigers a 21-point lead.

A Tiger drive in the fourth quarter resulted in another touchdown for Whavers on a 6-yard run around the right side of the East Central line.

A PAT attempt failed and the final score stood 34-0.

The Tigers gained a total of 46 yards on passing plays and 112 on rushing.

The Bay High Nasty Bunch defense held East Central to six yards passing and 31 yards rushing.

Trace McRaney was the leading Tiger tackler Friday with two unassisted tackles and 19 assists, followed by Stace McRaney with 19 assists.

Williams named as outstanding offensive players Matt Fairconnetue and Todd Manion.

"Manion did well coming in for Lewis," Williams said. He also credited Manion with a key pass interception.

Also commended for his offensive performance was Jesse Parker, who was sent in to relieve starter Brian Laneaux.

"Bell's second half performance was real good," Williams added.

On defense, outstanding players included Trace McRaney, credited with several crucial tackles.

The 34-point lead enabled the coaches to provide game experience for some of the younger Tiger players and experiment with some trade-offs on positions.

"We had everybody out there," Williams said.

"We moved a lot of people around, like putting guards at tackle slots. We wanted to do that to protect some of the younger boys in the back and rest some of the players who had been in there for most of the game."

Williams said he does not plan to let the team relax because they have the conference title.

"We still have a lot of hard games ahead of us. We still want to go 9-0 but we're playing the big boys now. Every time we play from now on we will face a 4-A or 5-A school."

Next week, the Tigers travel to Long Beach to play the homecoming Bearcats.

## High-powered Hawk offense pounds Rocks

Watching the Hancock North Central Hawks in action Friday night reminded one of a cobra. When it

struck, it was quick and deadly. And for the visiting St. Stanislaus Rockchaws, the bite was quite

painful.

The Hawks piled up 342 yards of total offense and scored in every quarter to dominate the ball game.

The teeth of the Hancock offense belonged to running backs Stanley Jordan and Charles Burton who scored twice and once, respectively.

Quarterback Brett Favre added another tally when he scampered five yards around his right end in the fourth quarter.

For St. Stanislaus, the only bright spot of the evening was a 56-yard Jimmy Dempsey to Yasin Shabazz pass completion early in the second quarter.

As Shabazz was tackled by safety Charles Burton, the ball squirted loose and split end David Williams recovered the fumble in the end zone for the Rocks only score.

Hancock North Central opened the scoring midway through the first quarter. After the Rocks first possession did not net a first down, Philip Wittmann punted to Charles Burton who returned the kick to the 50 yard line.

On the first Hawk play from scrimmage, fullback Drew Malley picked up 20 yards over right tackle. Charles Burton then gained five, followed by Malley who fought for seven more yards and a first down at the SSC 18 yard line.

Brett Favre's handoff to Burton on the next play accounted for fifteen yards and another first down at the SSC 4 yard line.

With 5:58 left in the first quarter, Stanley Jordan went over his right guard into the endzone for the score. Drew Malley's extra point was wide right, and the Hawks led 6-0.

Malley's kickoff was taken by Lon Baxter on his 12 and returned to the 21 yard line. Todd Thrifflay went around the right side for two yards on first down. Fullback Matt Caldwell was stopped for no gain on second down. Facing a third and eight, Rock quarterback Jimmy Dempsey tripped after taking the snap from center and the Rocks had to punt.

Phil Wittmann's punt rolled dead on the HNC 42 yard line. The Hawks wasted no time moving the ball as Charles Burton picked up 16 yards on first down. On the following play

Lawler rushes in to assist with the stop. (Photo by John Falson)

Burton got five more and Drew Malley then carried for four yards up the middle. Dependable Charles Burton banged into the left side of the line for another Hawk first down.

Brett Favre's pass to tight end John Tucel fell incomplete on first down, and Arthur Wynne tackled Burton for a four yard loss on second down.

With a third and fourteen situation, Stanley Jordan powered his way for eight yards. A fourth down reverse to Tucel was stopped by the Rocks for a one yard gain and SSC took over on their own 28 yard line.

Ya-Sin Shabazz swept the left side for a 2 yard gain on first down, and gained five more on a draw. SSC's big offensive play came on third down when Dempsey threw a 56-yard pass completion to Shabazz who raced all the way to the Hawk 3 yard line.

Burton's tackle popped the ball loose from Shabazz, but split end David Williams who was trailing the play fell on the ball in the end zone for the touchdown. Eric Doyle's extra point was good and the Rocks held a 7-6 lead with 8:41 left in the first half.

From this point, the game belonged to Hancock. After Charles Burton returned Doyle's kickoff to the Hawk 42 yard line where Jim Bradley made a solid tackle, it took the Hawks only two plays to score.

Stanley Jordan took the handoff on a counter play and finished off SSC

tacklers on his way to a 44 yard TD scamper with 7:26 left in the half. Malley's extra point attempt fell short and the Hawks regained the lead 12-7.

Drew Malley's kickoff was taken by Ya-Sin Shabazz on his 15 and returned to the SSC 30 yard line. A first down option pitch to Shabazz lost five yards, and a sprint out pass to tight end Arthur Wynne was incomplete on second down.

As Jimmy Dempsey dropped back to pass on third down, he was sacked by linebacker David Dupree for a six yard loss and the Rocks had to punt.

Phil Wittmann's punt was downed on the SSC 43 yard line.

On first down, Brett Favre dropped back and threw a 42 yard touchdown pass to split end Tommy Lull who outraced two Rockchaw defensive backs and made a nice, over-the-shoulder catch in the endzone and the HNC lead swelled to 18-7.

Jeff Reisch took Malley's kickoff and was stopped at his 25 yard line. Running back Todd Thrifflay picked up ten yards on first down, but the Rocks were guilty of illegal procedure which brought the ball back to the 20 yard line. A pass to Arthur Wynne was incomplete, and on second down Dempsey kept around right end and fumbled.

Hancock recovered deep in Rockchaw territory and it looked like the Hawks were in for a

before halftime.

With the ball on the SSC 32 yard line, Burton was stopped on first down for no gain. Stanley Jordan ran a counter for two yards on the next play.

A miscue between the center and quarterback Brett Favre on third down resulted in a fumble that SSC recovered with 56 seconds left in the first half.

St. Stanislaus attempted to mount a drive. After two incomplete passes, tailback Todd Thrifflay picked up 21 yards on a screen pass and brought the ball to midfield.

Dempsey's desperation pass downfield was intercepted with eight seconds in the half, and the Hawks went into their locker room leading the Rocks 18-6.

The Hawks took the third quarter kickoff and returned it to their 44 yard line. The HNC offense started where it left off the first half, chewing up yardage in big swallows. On first down Drew Malley picks up 15 yards, and Stanley Jordan hit the left side of the line for 9 more.

With the ball on the SSC 37 yard line, Charles Burton blasted through the Rockchaw defense to score with 6:11 left in the third quarter. Drew Malley kicked the extra point to increase the Hawk lead to 25-7.

The Rocks tried a little trickery on the ensuing kickoff as Shabazz took the ball and lateraled to Todd Thrifflay.

TOUCHDOWN CONGRATULATIONS—David Williams, 81, is lifted off the ground by teammate Lon Baxter after scoring a touchdown for St. Stanislaus in their Friday night game against Hancock North Central. ## Clubs, Auxiliaries

### Bay Junior Auxiliary to host regional meet

Bay St. Louis Junior Auxiliary will host the annual Region VII meeting Thursday, Oct. 24 at Diamondhead with 200 members from more than ten chapters expected to attend.

Bay St. Louis members have invited others in Region VII to spend the day "By the Bay with JA," according to Patsy Dubuisson, Bay chapter president.

The region includes Mississippi chapters in Gulfport, Biloxi-Ocean Springs, Pascagoula-Moss Point and Picayune. Louisiana chapters are in Slidell, Hammond, Houma, Amite and Eunice.

"The Bay St. Louis chapter has worked hard to put together an informative and entertaining day for all those who will be attending our regional meeting here," said Dubuisson.

"And we're especially proud to have this opportunity to spotlight

our own part of Mississippi's beautiful Gulf Coast."

Committee chairmen of the meeting include Linda Langston, registration; Judy Guy, decorations; Mary Ellen Daman, coffee; Betsy Jones, early arrivals; Johnnie Redditt, welcome; Marjoe Gex, luncheon; and Margaret Adam, publicity.

The Junior Auxiliary is a national organization comprised of local chapters whose goal is meeting the needs of others by providing community service, particularly to children.

The Bay St. Louis counts among its projects scoliosis and eye screening in area schools, reading and cultural enrichment, blood pressure testing, assistance to child and social welfare cases, and an annual Christmas party for special education and learning disability students.

### Blue Jeans Garden Club

The September meeting of the Blue Jeans Garden Club was held in the civic room of the Gulf National Bank.

Hostesses for the first fall meeting of 1985 were Mesdames Charles Dickson, Wanda Berthelot and Christian Neubig, who also led members in the opening prayer.

President Mrs. A. M. Thomas, noting the success of the May hat show and luncheon at the Landmark Restaurant, thanked the chairladies who contributed their talents to making the affair successful. Those acting as chairpersons were Mr. Pere Cabibi, luncheon; Mrs. Talmadge Conway, photographer; favors, Ms. Beverly Praetorius; hat show, Mesdames Shirley Cox, Gloria Norton and Beverly Coogan.

The Blue Jeans voted unanimously to sponsor at least one athlete each year in the "Special Olympics."

Nov. 5, the Blue Jeans will make a one-day excursion to Baton Rouge, La., to visit Catfish Town and Christmas shop. Mrs. Coogan, chairperson, is asking members interested in the tour to contact her as early as possible for reservations.

Plants and arrangements were judged and winners in the various categories are as follows: miniature, Mrs. J. C. Goodloe; horticulture, Mrs. Neubig; wild, Mrs. Eva Shea; potted, Ms. Praetorius and dried, Mrs. Thomas.

In conclusion Mrs. Cabibi, program chairlady, presented an interesting and informative program on planting, feeding and care of roses.

The Oct. 17 meeting will be held at noon at the home of Mrs. Joseph Ropolo, Waveland.

### AARP chapter marks 25th

Hancock County Chapter No. 1144, American Association of Retired Persons is currently marking the 25th anniversary of its founding.

The group is one of 67 AARP chapters in Mississippi and among more than 3,300 chapters nationally.

Service projects of the local chapter include legislative activities, health advocacy and political awareness programs.

### Lane- Mitchell

Mr. and Mrs. Gerald R. Lane of Pascagoula, Miss., announce the engagement of their daughter, Sandra Suzanne Lane to Royce William "Mitch" Mitchell, son of Mr. and Mrs. William Henry Mitchell of Tylertown, Miss.

Miss Lane is a graduate of Pascagoula High School and received a bachelor of arts degree in business from Stephens College, Columbia, MO. She is employed in the Advertising/Media Services Department of Frito-Lay, Inc., Dallas, Texas.

Mr. Mitchell is a graduate of Tylertown High School and received a bachelor of professional accountancy from Mississippi State University and a master of tax accounting from the University of Alabama. He is general manager of Mitchell-Magee Chevrolet-Buick-Oldsmobile, Inc., in Crystal Springs, Miss.

The wedding will take place December 7 at the First United Methodist Church in Pascagoula.

APPRECIATION PLAQUES—Sea Coast Echo Publisher Ellis Cuevas, left, and Managing Editor Edgar Perez receive appreciation plaques from Dr. Esther Oeschmann of Bay St. Louis in recognition of the newspaper's efforts on behalf of American Legion Post

No. 77 Auxiliary and Harrison County Salon No. 218, Eight & Forty. Oeschmann also presented awards to Echo Social Editor and Advertising Representative Janet McQueen. (Staff photo by Brenda Heathcock)

### Moran- Kegley

Mr. and Mrs. John Daniel Moran of Pass Christian announce the engagement and approaching marriage of their daughter, Anita Fay Moran, of Pensacola, Fla., to Mitchell Darin Kegley, also of Pensacola, son of Mr. and Mrs. Willis Bryan Kegley of Mobile, Ala.

Miss Moran is the granddaughter of the late Cleo Daniel Smith and Mrs. Elbe Dieterich Smith, and the late Ceville Anatole Moran and Mrs. Constance Koerner Moran, all of Pass Christian.

Miss Moran was graduated from Blair High School, Hattiesburg, and attended Mississippi State University where she participated in the S. D. Lee Honors Program, was an elected member of her church parish council in Starkville, and was a member of Alpha Lambda Delta Honor Society.

She attended the University of Southern Mississippi as a dean's list scholar, and completed a course of study at the London School of Economics in England. She earned her bachelor of science degree in marketing at the University of South Alabama in Mobile, being awarded the Mobile Propeller Club's 1984 scholarship in her senior year.

While at the University of South Alabama, she was charter secretary of Delta Nu Alpha Transportation Fraternity, was on the dean's list, was a member of Alpha Kappa Psi Business Fraternity, and a member of Alpha Mu Alpha Honor Society. She is presently employed by The Gayfer's Company in Pensacola.

Mr. Kegley graduated from Baker High School, Mobile, Ala., and earned a bachelor's degree in both business management and marketing at the University of South Alabama, Mobile, where he was a dean's list scholar, and a big brother to Phi Chi Theta Sorority.

He is a member of the American Society of Personnel Administrators, and of the American Marketing Association, and is currently employed in management, Kmart Apparel Corporation, Pensacola, Fla.

The wedding will take place at 4 p.m. Saturday, Nov. 9, at Our Lady of the Gulf Church in Bay St. Louis, where the bride's great-grandparents were also married in July 8, 1860, 125 years ago. Friends and relatives are invited to attend.

### Pass VFW Auxiliary 5931

The Ladies Auxiliary to VFW Post 5931, Pass Christian, entertained the patients at the Dixie White House Nursing Home with a party. September birthday persons were honored. Approximately 50 patients were present. Hostesses were Evelyn Liziana, chairman; and Nora Necaise, co-chairman; assisted by Patricia Necaise, deputy VAVS and Bernice Nippo, VFW member. Music was furnished by Bud Spier and his band.

The VA Nursing Home Care Unit of the Veterans Administration was entertained with a party by the auxiliary. Mattie Mitchell, president, and Patricia Necaise, deputy VAVS, were assisted by members of the auxiliary in serving soft drinks and cup cakes.

VFW Post 5931 auxiliary entertained 25 veterans from the Gulfport VA at the post home in Pass Christian with a luncheon. Music was furnished by Bud Spier and his band. Those present were Norma Bonney, department president; Patricia Necaise, deputy VAVS; Post Commander "Nip" Necaise; Mattie Mitchell, auxiliary president and members of the auxiliary.

Rachel Reed, Miramar Lodge Nursing Home chairman, and members of the ladies auxiliary, entertained 100 patients with punch, sandwiches and birthday cake. Bud Spier and his band entertained the patients with their music.

A membership kick-off dinner dance was enjoyed at the Pass Christian Post 5931 home recently. A buffet dinner was prepared and served by the ladies auxiliary. Center pieces were of American Flags and Buddy Poppies. Out-of-town guest from the Department of Mississippi was Hilda Neil, junior vice president, and Department President Norma Bonney who is a member of Post 5931. Music was furnished by the Back Waters.

### G. C. Council Garden Clubs

The central section of Edgewater Mall will be resplendent on Oct. 12 with floral arrangements, horticultural specimens of the finest quality, plus educational exhibits to stimulate the mind. Add to that a style show put on by ten of the shops in the mall, and it all results in the Gulf Coast Council's Flower and Style Show, which they are sponsoring together with the Gulf Coast Judges Council. The event is titled "Cosmos '85"—A Galaxy of Music, Flowers and Fashion.

Division I of the flower show is the design section, and Sections A & B, with three classes each, are devoted entirely to floral arrangements. Section C will include a category of collages and Section D will feature table settings.

Division II will be horticulture, including classes of annuals, biennials, perennials, roses, cut branches and container-grown plants.

Division III will be the special exhibits, including flower show technique, orchid culture, an exhibit done by the exceptional children, and one done by an intermediate gardeners club. State and national exhibits will include historic preservation of Beauvoir, bird sanctuaries and the celebration of 50 years of soil and water conservation.

The wildflower collection will feature wildflower linens for the bedroom and bath and little girls' dresses which are made from the prints.

The entire event is a memorial to Mrs. William Gregurich, Mrs. Leo Pratt and Mrs. W. T. Avara, who contributed years of love, devotion and knowledge to the garden clubs of the Mississippi Gulf Coast.

SAUNDRA SUZANNE LANE

### Scianna- Benvenuti

Mr. and Mrs. Charles C. Scianna Sr. of Bay St. Louis announce the engagement and forthcoming marriage of their daughter, Mary Ann Scianna, to David Michael Benvenuti, son of Mr. and Mrs. Peter J. Benvenuti, also of Bay St. Louis.

Miss Scianna is the granddaughter of the late Mr. and Mrs. John Scianna Sr. and the late Mr. and Mrs. A. G. Favre Sr.

The bride-elect is a 1978 graduate of Bay Senior High School and a 1981 graduate of Mississippi Gulf Coast Junior College. She is employed with Hancock Bank, Bay St. Louis.

Mr. Benvenuti is the grandson of Mrs. C. R. Beyer of Bay St. Louis and the late Mr. Beyer and the late Mr. and Mrs. A. D. Benvenuti Jr.

The prospective groom is a 1972 graduate of Bay Senior High School and a 1979 graduate of Mississippi State University. He is vice-president and general manager of Bay Motor Winding Inc.

The couple will solemnize vows Friday, December 27 in a 6:30 p.m. ceremony in Our Lady of the Gulf Catholic Church.

MARY ANN SCIANNA

GOLDEN ANNIVERSARY—Mr. and Mrs. Henry J. Cook Jr. of Bay St. Louis celebrated their 50th wedding anniversary on Sunday, Sept. 29, 1985 with a reception at the Bay-Waveland Yacht Club. Mr. and Mrs. Cook were married in Gulfport in 1935 and celebrated their Golden Anniversary with a repeat of their marriage vows before Municipal Judge John Chevis. Among family members attending were Henry J. Cook III, son; Henry J. Cook IV and Leon M. Cook, grandsons; and Christopher Cook and Mary Jo Cook, great-grandchildren. The honored couple are also parents of Kaarin Smith of Jamaica, West Indies, and grandparents of Gavin M. Cook and Brian P. Cook. Special entertainment was provided for the celebration by Sam Adams of New Orleans.

### Library System adds cameras to its borrow list

There are plenty of good reasons for going to the City-County Library, Waveland Library and Kiln Library — great novels, best sellers, how to books, valuable reference books and Polaroid instant cameras that can be borrowed free of charge.

What are cameras doing in the public library?

"As of today, they're part of our circulating collection," said librarian Becky Mitchum Keefe.

"Like our books, magazines and records, they're here for the public to use and enjoy," she added.

The Hancock County Library System is participating in "Check This Out," a program providing free instant cameras, which are from the 600 series and feature built-in electronic flash and one-button operation.

Sponsored by the Customer Service Division of Polaroid Corporation the program is being offered in cooperation with the American Library Association.

According to program manager Lynda J. Wilson, the idea of borrowing a camera from the library isn't as unusual as it may seem.

"Libraries offer a wide variety of services and materials to patrons," she said. "Instant cameras are a natural for an information-oriented

facility like the public library."

Cameras may be checked out at the City-County Library, on US-90, Waveland Library and Kiln Library.

Anyone 15 years or older with a valid library card may borrow a camera for up to three days.

Children 14 years and younger may check out a camera with a parent.

Patrons must supply their own film.

**CIRCUS STAR**—The African Lion Sultan will be presented by trainer Helena Carpenter during 5:30 and 8 p.m. performances of the Roller Brothers Circus Tuesday, Oct. 15 at the Hancock County Fairgrounds. The circus is being sponsored as a fund-raiser by the Hancock County Exchange Club which will benefit primarily from advanced ticket sales. The public is invited free of charge to view the setting up of the circus' big-top that morning.

### Beatty-Cole Circus to play under big-top in Gulfport

Clyde Beatty-Cole Bros. Circus is scheduled for a two-day engagement at Jones Park at the Port of Gulfport Saturday, Oct. 12 at 4:30 and 8 p.m. and Sunday, Oct. 13 at 1:30 and 4:30 p.m.

This year's cast consists of over 40 performing animals and some 60 circus stars hailing from more than 17 foreign lands.

Wild lions and tigers, elephants, precision horse drills, and prodigious poodles will represent the

animal kingdom while Arabian tumblers, Mexican acrobats, French and Canadian jugglers and aerialists will demonstrate their talents.

An eight-piece brass band and the Beatty-Cole clowns conjure up colorful and crazy comedy.

### Irene & Johnny Are Back Effective October 1st

— We Sell the Best & Fix the Rest! —

### When it's time to tighten your belt.

When the going gets tough, the tough get going. That's why so many smart people are joining our New Outlooks Club.

For just one modest monthly New Outlooks Club fee, you get more than just a great checking account. You get checking without check writing fees, without monthly checking maintenance charges, without a minimum balance requirement.

You also get a lot of extra good banking services without a lot of extra service charges.

Plus thousands and thousands of dollars worth of valuable accidental death/dismemberment insurance. Plus good discounts on good services like car rentals, at hotels, motels, resorts, restaurants, books, magazines, at famous amusement theme parks.

So if rising prices get you down, let our New Outlooks Club cheer you up. Tighten up. Join up with the New Outlooks Club.

# THE PROOF IS IN THE PRICING. EVERYDAY!

## THE QUALITY YOU'LL BE GLAD TO SEE!

At Delchamps, you'll not only find a low price, you'll find something else just as important — quality.

You get only USDA CHOICE BEEF at Delchamps. Each piece carefully inspected to make sure it's a cut above the rest.

Our GARDEN-FRESH PRODUCE arrives daily. And Delchamps assures you of quality by letting you hand-pick every fresh piece.

In Delchamps Dairy Case you'll find a variety that's definitely GRADE A. All of our farm-fresh milk, cheese and eggs are dated for freshness and priced for savings.

Put them all together and they mean the highest quality as well as . . . Everyday Low Prices!

## 'Speaking Oracles of God'

—1 Peter 4:11

By W. Edwin Kearley, Minister

501 Pine St.

Bay St. Louis

### PERSEVERENCE

Paul was one who persevered to the end. He said, "Brethren, I count not myself to have apprehended; but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus." (Philippians 3:13-14)

Three facts should be recognized from Paul's statement. 1) Paul had not reached the height of his spiritual ambition. 2) He realized that he had to forget the past. 3) He was doing his best to reach his lifelong goal.

Having spiritual ambition and reaching it is the most important contemplation of man. Paul was always zealous and true to his conscience. His zeal caused him to seek to exterminate Christianity by exterminating Christians.

Before Agrippa Paul said, "I verily thought with myself that I ought to do many things contrary to the name of Jesus of Nazareth, which thing I also did in Jerusalem; and many of the saints did I shut up in prison, having received authority from the chief priests; and when they were put to death, I gave my voice against them." (Acts 26:9-10)

When he learned better he was as zealous for that which he had tried to destroy. While preaching the gospel of Christ, he was beaten, frequently placed in prison, stoned, shipwrecked, in perils of robbers, in weariness and painfulness, in hunger and thirst, in cold and nakedness and care of all the churches. (II Corinthians 11:23-28)

In Acts 23:1, Paul declared to the council, "...Men and brethren, I have lived in all good conscience before God until this day." (Acts 23:1) When he learned better, he changed his practice.

Too often today many in the church may be spurred into action one time and then return to the old rut. This see-saw action never

achieves progress. It is motivated only by the emotion of the day. Sustained action is created by deep and abiding conviction. It is caused by deep and abiding faith in God, Christ, Holy Spirit and the inspired Word.

Paul forgot the past. He said, "Though I might also have confidence in the flesh, I more; circumsised the eighth day, of the stock of Israel, of the tribe of Benjamin, a Hebrew of the Hebrews; as touching the law, a Pharisee; concerning zeal, persecuting the church; touching the righteousness which is in the law, blameless. But what things were gain to me, those I counted loss for Christ. Yea, doubtless, and I count all things but loss for the excellency of the knowledge of Christ Jesus my Lord; for whom I have suffered the loss of all things, and do count them but dung, that I may win Christ." (Philippians 3:4-8)

The Jews wanted to go back to the flesh pots and bondage of Egypt. Demas forsook Paul and the Lord "having loved this present world." (II Timothy 4:10)

Far too many in the church today still love "this present world." Christ will not accept a heart reserved for the world.

Paul's dedication prompted him to press on toward the eternal prize of heaven. Is there anything worth more to you than eternal life? Paul wanted heaven more than life itself. He was willing to be beheaded for his faith in Christ.

Some are willing to throw away their hope because of some statement by a member of the church made without intent to harm. One's desire to serve God and to go to heaven should be great enough to imitate Paul.

Perseverance calls for steadfastness, endurance, patience, etc. May we all persevere unto the end of our earthly sojourn and hear those words.

**ADULT EDUCATION**—Prima Wusnack, left, Hancock County Library System director, and Barbara White, Hancock North Central High School librarian and instructor with the Hancock County Adult Education Program, prepare materials for adult ed classes being held at the Bay St. Louis-Hancock County Library each Monday and Wednesday nights from 6-9 p.m. Persons 16 and older may enter the program between September and April to gain or improve skills needed to pass the General Education Development (GED) examination. The program is also offered on Monday and Tuesday nights at Gulfview School and on Tuesday and Thursday nights at Charles B. Murphy School and Hancock North Central. Phillip Terrell, principal of Charles B. Murphy, is coordinator of the project which was begun six years ago. There is no charge to program participants. For more information, individuals can contact the library at 467-5282 or Terrell's office at 533-7303 or 533-7872.

## News Brief

### MISS AMERICA

Governor Bill Allain will host a public reception for Mississippi's Miss America Susan Akin of Meridian from 1:30-3 p.m. on Friday, Oct. 18 at The Governor's Mansion.

"We want as many Mississippians to come by the mansion during this period to tell our Miss America how proud she has made our state and how well she is representing us. We have invited our former Miss

Americas to be with us during this celebration, and we hope they can attend as well," Gov. Allain said.

The reception for Miss Akin will be the middle portion of a three-day visit to Mississippi for her, her first visit home since winning the Miss America crown in September. She will also be visiting Vicksburg, the University of Mississippi and Meridian.

**TRANSFER AMOUNTS LEFT IN ACCOUNTS AT CLOSE OF FISCAL YEAR, SEPT. 30, 1985**  
There came on for consideration the following Order transferring balances remaining in various county accounts at the close of the fiscal year ending September 30, 1985, to the General County Fund.

**SUPERVISORS TRANSFERRING BALANCES REMAINING IN VARIOUS COUNTY ACCOUNTS AS OF THE CLOSE OF THE FISCAL YEAR ENDING SEPTEMBER 30, 1985, TO THE GENERAL COUNTY FUND.**

WHEREAS, certain county accounts have balances remaining at the end of the current fiscal year;

AND WHEREAS, the balances remaining in these accounts should be cleared at the end of the current fiscal year and transferred to the General County Fund, said accounts being as follows:

Sanitary Landfill, Public Health and Indigent Sick, Coast Mental Health, Emergency Medical Service, Soil and Water Conservation District, Pauper Fund, Port & Harbor Operation and Construction, Library Fund, Hospital Fund, Mosquito Control, Veterans Service, Youth Court, Chamber of Commerce, Planning and Park Fund.

NOW, THEREFORE, BE IT ORDERED BY THE BOARD OF SUPERVISORS OF HANCOCK COUNTY, MISSISSIPPI:

1. That pursuant to the provisions of Sec. 27-106-37, Mississippi Code of 1972, this Board shall transfer balances remaining in the foregoing accounts as of the close of the fiscal year ending September 30, 1985, to the General County Fund, unless a petition signed by at least twenty percent (20%) of the qualified voters of Hancock County shall be lodged with this Board within 30 days of the first publication of this Order, said first publication date being September 20, 1985.

2. That the Clerk of this board shall publish this Order in the Sea Coast Echo, a newspaper having general circulation in Hancock County, on September 20, October 6 and 13, 1985. Whereupon it was moved by Supervisor Travica, seconded by Supervisor Courge, that the foregoing Order be adopted.

The matter then being put to a roll call vote, the result was as follows: Those voting Yes: Supervisors Courge, Ladoor, Pernicelli and Travica.

Those voting No: None.  
Absent: Supervisor Keller.

The motion having received the unanimous affirmative vote of all members of the Board, the Vice President declared the motion carried.

## Porcelain Fine China

We are proud to present Johann Haviland Bavaria Germany Fine Porcelain China.

And now, for a limited time only, it can be yours at remarkable savings of over 40% on a simple, convenient layaway plan that will easily fit your weekly budget.

Here's how the plan works: With each \$3.00 purchase, you are entitled to buy one china saver stamp for 99¢, a \$3.00 purchase entitles you to buy two stamps, etc. Once you have filled your saver certificate with 30 stamps, you may redeem it for a beautifully gift-boxed 20 piece service for four in your choice of Blue Garland or Forever Spring pattern. The total cost of your set on this plan is only \$29.70.

You may expand your china collection with matching service and accessory pieces. Each week a different item will be featured at special coupon savings. Every item in the Johann Haviland china line is carried in open stock, so you can replace or add pieces to your set long after the promotion has ended.

*Only*  
**99¢** plus tax  
with each \$3.00 purchase.  
*per china stamp  
on our special  
savings plan*

# SUPPLEMENT YOUR SOCIAL SECURITY BURIAL BENEFITS

Some of the Outstanding  
Features of this Plan Are:

**THOSE WITH HEALTH PROBLEMS  
WELCOME TO APPLY** — even if you've  
been turned down by other plans.

**Good Anywhere in the World.**

There are no restrictions. The plan may  
be used with funeral directors anywhere.

You may qualify for from \$500.00 to  
\$10,000.00 of protection. Mail the card  
even if you have health impairments.

## Frees Your Family From The Worry Over Final Expenses.

For just a few cents a day, it provides a plan for just  
one person or an entire family. The policy pays full  
amount with first small payment. This easy econom-  
ical way prevents using savings, other insurance or  
investments.

Almost fifty separate urgent decisions must be  
made within hours after a death in family. Few are  
equipped emotionally to cope with the concern  
over unfamiliar responsibilities and decisions. You  
can lift this burden from your family and eliminate  
emotional overspending.

## Helps Protect Against Inflation

It can happen when least expected . . .  
Have you prepared yourself and your loved ones?

# HERE'S UP TO \$10,000<sup>00</sup> OF LIFE INSURANCE to supplement Social Security **BURIAL BENEFITS!**

## **NO DOCTORS EXAM NEEDED!**

A few simple health questions on your application provide the basis of your eligibility.

- Ages 0-85 Eligible.
- Pays Your Beneficiary or the Funeral Home of Your Choice.
- Company Cannot Cancel this Plan as Long as Premium is Paid.
- Company Cannot Reduce Your Benefits.
- Benefits Begin When Policy is Issued. No Waiting Period for Benefits to Start.
- Mail Card Even If You Have Health Problems.
- Prompt Claim Service.
- Rates Do Not Increase With Age.
- Dependent Relatives May Be Covered.

Underwritten by Inter-Ocean Insurance Co., Cincinnati, Ohio, Form 7400 and 7401.

### **SOCIAL SECURITY BURIAL BENEFITS ARE NOT ENOUGH!**

Social Security provides \$255.00 for burial if covered, and not everyone is covered — far short of the amount needed to pay today's funeral expenses.

Make up the difference between what Social Security pays and what your loved ones will have to pay with Final Expense Endowment Insurance. You can apply for up to \$10,000 without undergoing a physical exam. Cash surrender values, loan values, paid-up insurance values, too. Cover today's high cost of burial and leave a cash estate for spouse, children, grandchildren besides. Mail coupon for full details. No obligation.
